Participation

In order to ensure that this program is safe and fun for everyone, we ask that each participant fill out a Participation Form prior to attending the activities. Forms can be picked up at Parks & Recreation, or can be printed from our website and mailed in. Once the Participation Form is completed, you will be added to our mailing list to receive flyers about each event.

Registration

Registration is required for each event so that we know how many participants to expect. Once you have turned in a Participation Form and receive an informational flyer about the next event, you may register for that event by calling the Parks & Recreation office to let us know that you plan on attending. Space for some nights is limited to a certain number of participants, so call early! Funds for some nights are also limited to the earliest callers.

In January we'll attend one of the local Wenatchee Wild hockey games!

Cost

This program is made possible by a grant from the Chelan-Douglas Developmental Disabilities Program. This money allows us to provide the social program services to participants at no cost. Occasionally there will be optional costs for participants, and these will be noted on the event flyer.

Consider what delicious dish you could bring to the Thanksgiving Potluck!

Supervision

Our staff to participant ratio is approx. 1:10. Our staff provide leadership for the activity and are unable to provide attendant care (feeding, toileting assistance, giving medications, transfers, etc.). Care-providers should accompany participants who need personal care. Participants who have behavioral issues may be asked to participate with a care-provider in attendance. Registration fees for care-providers may be waived or will vary depending on the activity.

Transportation

Due to budget constraints and logistical issues, free transportation is no longer available for participants. Changes have been made to the program schedule so that other community transportation (such as Link Transit) can be utilized more often. If we can be of assistance in helping you find the proper bus route, get contact info for local cab companies, or set up car-pools for participants in your area, please contact us.

Space is limited for some events, so call as soon as you receive each flyer!!
